She also stated some abnormalities with arbitration system. A notice was received that the case had been selected for arbitration, but it should not have been because the Board is asking for equitable relief. Ms. Bradley expressed a possible motion for re-judgment and will continue to keep the Board updated on the progress.

The state exam for LBA, LaBA, and CABI is scheduled for November 18, 2011 in both Las Vegas and Reno.

8. Board needs, operations, and schedules

Board members discussed the annual newsletter and possible articles the members will be responsible for. Members requested further discussion at next Board meeting.

A. Discussion/approval of procedure manual

Discussion deferred.

B. Discussion of Board Office Staff/Members

Dr. Lenkeit restated that he will speak with all members of the office staff and Board members to develop a plan that is best for the Board. The Board suggested that a similar procedure be followed with all new employees. Ms. Alldredge notified the Board of Ms. Ellis' resignation from the Board.

9. Continued discussion of ASPPB oral interview requirement to be given before the State Exam

Dr. Neighbors updated the Board on the decision of the sub-committee that the oral interview should consist of three random Board approved questions selected from a list of questions and limit the oral interview to fifteen minutes. Dr. Neighbors expressed concern with the length of time needed to give the exam. Dr. Parry questioned the reasoning behind having an oral exam. Dr. Neighbors reminded that if the Board does not conduct oral interviews, then they cannot participate in the ASPPB mobility agreement. Dr. Lenkeit expressed concern that if the Board were to start giving an oral exam that would count toward an applicant's licensure, it would require the revision of the laws. The Board continued to discuss examples of how other jurisdictions conduct their oral interviews. Ms. Bradley suggested creating a policy regarding the Board interview and examination. Dr. Parry suggested having the new policies implemented by the August test for the state. The sub-committee will refine the question list and create a proposal to present to the Board. Dr. Carro questioned the order in which the interview and the exam should be conducted. Ms. Bradley suggested that the oral interview be conducted for applicants before the exam. Applicants invited to the February exam and choosing to defer to take the exam in August will be exempt from the interview.

Session is closed for discussion of behavior analyst exam questions.

Board members reviewed a draft and cost of the exam.
